\*\*\*Named a Top 25 App of 2025 by Apple\*\*\*

Blossom is a free investing app and social portfolio tracker that helps you track your stocks, ETFs, and dividends, follow real investor portfolios, and learn how to invest with confidence.

Join 500,000+ DIY investors building long-term wealth together through transparency, community, and education.

Whether you're investing in dividend stocks, ETFs, or individual stocks, Blossom makes it easy to see what real investors are doing, track your portfolio in one place, and grow your financial knowledge - without hype or guesswork.

**\*\*Track Your Investment Portfolio (Automatically)**  
 Connect your brokerage accounts and instantly view your entire investment portfolio in one clean dashboard. Blossom supports top brokers including Wealthsimple, Questrade, Robinhood, Fidelity, Vanguard, Charles Schwab, Webull, and more.  
 - Real-time portfolio tracking  
 - Beautiful asset allocation & pie charts  
 - One place for all your investments

**\*\*Dividend Tracker & Income Forecast**  
 Know exactly how much dividend income your portfolio generates - now and in the future.  
 - Track dividends by stock & ETF  
 - Forecast monthly and annual dividend income  
 - See your passive income grow over time  
 Perfect for dividend investors and long-term wealth builders.

**\*\*Social Investing with Real Portfolios**  
 Follow the verified portfolios and trades of over 500,000 investors, including top investing creators and educators.  
 See what real investors are:  
 - Buying  
 - Holding  
 - Earning in dividends  
 No screenshots. No "trust me" advice. Just transparency.

**\*\*Research Stocks & ETFs in One App**  
 Build your watchlist and research stocks faster with key metrics all in one place.  
 - Dividends & yields  
 - Returns & performance  
 - Ratios & fundamentals  
 - Insights from real investors  
 Spend less time jumping between apps.

**\*\*Learn How to Invest (Beginner-Friendly)**  
 New to investing? Blossom makes learning fun and simple.  
 - Duolingo-style investing lessons  
 - Daily stock & ETF trivia  
 - Built by trusted investing educators  
 Perfect for beginners and anyone leveling up their financial literacy.

**\*\*Earn While You Learn**  
Get rewarded with real money for completing short educational lessons on new ETFs and stocks.  
Learn → Earn → Invest smarter.

**\*\*Deeper Portfolio Analysis (Blossom PRO)**  
Upgrade to Blossom PRO to unlock deeper insights, including:  
- Geographic exposure  
- Capital gains vs dividends  
- Advanced portfolio breakdowns  
- Professional-grade analytics  
And much more.

**\*\*Meet Investors in Real Life**  
Blossom goes beyond the app. Join in-person investor meetups across North America and connect with like-minded DIY investors.

**Essential app for beginner...** 2025-07-17  
 shesmakeit

I've learned so much since I joining ... the discussions and supports never disappoint!

**Developer Response**  
Wooo!! Happy to hear that :D - Max, CEO ...

**Well done Blossom** 2025-07-20

Who knew investing could be this easy and this much fun. Became a member less than a month ago...you simply can't help but become a more knowledgeable investor...

**Finally, a social investing :** 2025-07-20  

I've tried a few "social investing" apps and most are just hype. Blossom is different, a true breath of fresh air.

**Developer Response**  
Damn what an awesome response!
